Ngong House is a privately owned home on the outskirts of Nairobi in the Karen District. Far away from any main roads it is situated on 10 acres of private land offering a stunning view of the Ngong Hills. The Giraffe Centre is within easy walking distance and a short drive will take you to a variety of small workshops and centers where you may do some shopping. There is also Karen Blixen's Farm and Daphne Sheldrick's Animal Orphanage nearby which given the time is certainly worth a visit.

Overnight: Ngong House

DAYS 2 & 3 AMBOSELI NATIONAL PARK

After breakfast this morning, you will be transferred to Nairobi's Wilson Airport for your flight to Amboseli National Park. Upon arrival you will be met and transferred to Tortilis Camp for two nights.

The Amboseli is justly famous for its large herds of elephant and its stunning setting at the foot of Mount Kilimanjaro. Amboseli is home to over 1,000 elephant, rare black rhino, herds of zebra and wildebeest and their predators as well as more than 300 species of birds.

Tortilis Camp is an exclusive tented lodge on the edge of the Amboseli National Game Reserve, named after the nearby Tortilis Acacia trees. From the lodge you see for miles across the plains of Amboseli into Tanzania. From the lounge you have an incredible awe-inspiring view of Africa's highest mountain: Kilimanjaro.

This morning you will drive through beautiful, lush farmland and coffee plantations to Ngorongoro Plantation Lodge.

Located in the heart of African Bush and surrounded by the coffee plantations of Hemingway's inspiration, the Plantation Lodge gives its guests both the excitement of a safari and the luxury of their extremely comfortable lodge. Rooms have their own individual style; they are designed to give maximum relaxation after dusty safaris.

On the second day you will enjoy an all-day game drive into the Ngorongoro Crater.

Overnight: Ngorongoro Plantation Lodge

DAYS 11 & 12
SERENGETI NATIONAL PARK

After breakfast, you will leave the Ngorongoro Crater area and drive into Serengeti National Park where you will be taken to the Serengeti Under Canvas camp. The locations of these migratory camps are carefully plotted to coincide with the documented movements of the annual [Great Migration](#) as it traverses the Serengeti plains. Having secured some of the Serengeti's best semi-permanent campsites, we are able to bring our guests as close as possible to the migration or resident game. These campsites are available for use, allowing tremendous flexibility in moving our camps according to the expected migration movements. This is Serengeti in style - a chance to partake in a classic Tanzanian safari as it would have been experienced in the 1920's. Roaming wilderness camps will follow in the footsteps of the animals, featuring four bedouin style tents with full ensuite facilities, outdoor bucket showers and separate water closets. You will have a private butler service and enjoy delicious Pan African meals and traditional bush dinners. You will experience exciting daily game-drives, night drives and interpretive bush walks, unique to Tanzania, visits to local Maasai manyattas (homesteads), and exciting bush banquets.

Overnight: Serengeti Under Canvas
