Botswana Migration Route

Highlights:

- Victoria Falls
- Chobe National Park
- Okavango Delta
- Mokoro (canoe) excursions

Experience a nostalgic camping safari that recreates a sense of wildlife viewing adventure reminiscent of the times of the early African explorers.

The style and essence of this safari takes you back to the bygone days of Africa's exploration. The 3m x3m dome tents (at Lechwe and Linyanti), complete with mini-verandas, allow you to feel more connected to nature, accentuating the feeling of the wild and untamed. Pure cotton linen bedrolls (with duvets) on GI stretchers, bedside table with silver lantern and mini luggage benches add to the atmosphere. Shared separate toilet and shower 'bathrooms' with old-style tin bucket showers and basins create simple serviced comfort.

Adventurer camping aims to bring the guest closer to nature, by means of lively campfires, hurricane lanterns, diverse activities and a warm atmosphere permeating the camp (and its simple comforts). Adventurer camps are specifically outfitted to create that camping feel with a clear emphasis on essential comforts and pristine wilderness experience.

DAYS 5 & 6 LECHWE ISLAND CAMP, NORTH-EASTERN OKAVANGO DELTA

We travel west into private concessions, stopping en route for game sightings through parts of the area.

This long but interesting drive gives the perfect introduction to the varying habitats of a dry and flat northern Botswana, from the open savannah of the Savuti Channel, to lagoons with a plethora of wildlife to the geographically interesting Selinda Spillway. This can be a full-day game / transfer drive, with lunch en route at a shady place in the Savuti Channel.
